

# CR-61 Concrete Cleaner

Floor Enhancer  
Heavy Duty Cleaner  
Alkaline Concrete Cleaner  
Contains Sodium Metasilicate

Keep your concrete floor like new with Scar Guard!

# BENEFITS OF CR-61

- CR-61 is specifically designed to clean densified and polished concrete.
- CR-61 is free rinsing and leaves no residue on the floor to attract additional dirt.
- CR-61 enhances the appearance of the floor by making the surface smoother.
- CR-61 is approved and recommended by Duracon, the exclusive distributor of Ashford Formula and the Retro Plate System in Canada.
- CR-61 can double the manufacturer's warranty when used on floors treated with RetroPlate or Ashford Formula. Talk to a rep for more information.
